Emergency Preparedness for You, Your Family, and Your Community

Time required: 1¼ hours

Group size: Minimum 8, maximum unlimited

Location: In-person, or virtual, within the City of Portland

Be prepared, not scared! Your group may request a trained **Neighborhood Emergency Team (NET)** volunteer to present simple, inexpensive ways to prepare for emergencies ranging from severe weather to a major earthquake. During this workshop we discuss **making plans** for home, work, and school; creating **go/stay kits**; storing **water and food**; seismic **retrofitting**; emergency **sanitation**; **multifamily buildings**; and more. You also will learn about volunteer opportunities to serve your neighbors during an emergency, and free training from the Portland Bureau of Emergency Management (PBEM) and Portland Fire & Rescue.
