# MAP YOUR NEIGHBORHOOD

The key to surviving a disaster is a close network of friends and neighbors. **ARBOR LODGE AND KENTON** are joining a citywide effort called Map Your Neighborhood—a block-by-block effort that brings neighbors together in advance of an emergency.

**WE AIM TO HELP NEIGHBORS CONNECT**, prepare their homes, and know where to go if they need help. We also want to identify those who may need extra assistance in a disaster, and the resources and talent we have here in the neighborhood to pitch in.

Who are we? **WE'RE YOUR NEIGHBORHOOD EMERGENCY TEAM (NET)**. We live in Arbor Lodge and Kenton and are trained by the city and fire department to provide disaster assistance here. **Our contact information is on the back.**

## BASIC EARTHQUAKE EMERGENCY COMMUNICATION NODES (BEECN)

Your nearest BEECN site is **ARBOR LODGE PARK**, at N. Dekum Street and N. Greeley Avenue. The Portland Bureau of Emergency Management defines these BEECN sites as “a place to go in Portland after a major earthquake to ask for emergency assistance if phone service is down, or report severe damage or injury.”

## NET CAN HELP YOU BY:

- Facilitating a **Meet Your Neighborhood** meeting or potluck on your block.
- Offering speakers to discuss **in-home preparedness** with you and your neighbors.
- **Helping to connect you** with the preparedness information you need.
- Offering you a curated list of preparedness tips at:
