

NW District NET Deployment Cycle & Ops Plan

v1 - Last Updated 02/15/21

Pre-Deployment

Always secure yourself, your own home and family. Check in with NET team members via call/text or FRS/GMRS radio (**Channel 6**). Check on neighbors, do triage and turn off utilities, if appropriate. Meet at the staging area ASAP. Volunteers should only deploy if they want to, feel safe and able, and have been instructed to deploy. In the event of a major disaster, if normal communication systems are down, you may self-deploy. Volunteers should disengage from deployment if they want to, feel unsafe or unable, or a city employee or first responder instructs them to do so. Unauthorized deployment may result in loss of indemnification by the City of Portland.

Guiding Principles

1. NET safety and accountability are our top priority.
2. Always work in teams of no less than two (2) members.
3. NET members report to, and are accountable to, one (1) NET member.
4. Do the greatest good for the greatest number.
